

## Lawnmowers and Gardening

With Spring here and grass cutting season just around the corner, is it time to change your old tired mower or do you just fancy an upgrade? Here at LED Scotland have a well-stocked range of lawn mowers, scarifiers, strimmers, chainsaws and hoses plus accessories.

We have had a few changes in store recently allowing us to expand our hand and power tools. We have some new ranges of products from Makita, Draper and more to follow - along with all our general gardening equipment to suit everyone's requirements and cater for all sizes of gardens.

Don't forget we stock a full range of Calor gas, including cube gas – perfect for BBQs and patio heaters for the long summer evenings. We are also the main BOC agent in the Caithness area for all your industrial requirements.

For those that have bigger projects planned we have available to hire a variety of plant including our micro digger which is perfect for garden projects. Also don't forget our HSS hire desk where we can provide hire of tools and equipment.
